GREETINGS

President's Message

Welcome to the 165th Embro Fair! After a few years of virtual fairs, we were so grateful to host the 2022 Fair at the Community Centre grounds with a wonderful turnout from the community.

This past year we hosted a few drive-through fundraiser dinners, including a Brisket Dinner catered by Lancaster Smokehouse, and a Lasagna Dinner catered by Village Catering and Deli. The money raised from both events helps us run the Fair, as well as other important community

outreach events such as the Progressive Agricultural Farm Safety Day hosted at one local rural school annually. In 2022, this important day of learning took place at Zorra Highland Park Public School, and in 2023 we will be going to Thamesford Public School. We were also able to host the Santa Claus Parade again this year, but with the added bonus of welcoming people to the Community Centre to meet Santa and enjoy some cookies by donation to help the Grade 8 students at Zorra Highland Park Public School fundraise for their year-end trip. We love partnering with community groups such as the local schools, Zorra Caledonian Society, and Oxford County 4-H, so if there are any other groups looking for a partner, do not hesitate to reach out!

Another successful fundraiser we hold is the annual Dinner Theatre. This year the play was a heartfelt comedy, "Splitsville," by Linda Lloyd-McKenzie. This is our biggest fundraiser of the year, and one that involves so many members from the community both as audience members and volunteers. This fun event brings back familiar faces every year who love to come out and see the show. We were also excited to hear from people who came out for the first time. We hope to see you again next year.

GREETINGS

This year our Fair theme is, 'Let's Grow Embro!' We are grateful to have a theme so close to our roots as an agricultural society, and as a community; our little village of Embro is growing. Thank you to all our volunteers, including the Board of Directors and Homecraft Committee, who spend countless hours throughout the year organizing and running events that promote agriculture and a sense of community. And of course, thank you to you, the patrons of the Fair, for coming back every year to join in the fun, and to those of you joining us for the first time – welcome! We are so happy you're here.

I hope you enjoy the Fair!

AMBASSADOR'S MESSAGE

Dear Competitors and Fair-Goers,

This past year, I have been honoured with the privilege of representing the Embro & Zorra Agricultural Society as their Fair Ambassador. For fifty years, Embro has been cultivating leaders by affording opportunities for growth, knowledge, and future pathways. Through this dynamic leadership position, I have enhanced my networking skills, promoted rural life and educated others about agriculture. This Ambassadorship provides limitless opportunities for personal development and growth.

While participating in EZAS events such as the Lasagna Dinner, Santa Claus Parade/Christmas Social and Annual General Meeting, I have been extremely fortunate to build new connections within the community that I will cherish for the rest of my life. The priceless relationships that I was fortunate to build with other Ambassadors at the 2023 OAAS Convention are memories that I will fondly look back on.

I am extremely grateful to those who have extended their support to me throughout my Ambassadorship. Firstly, to my parents, Sam and Steve Smith. They continually exemplify kindness, compassion and gratitude to both myself and my two sisters. In addition, I am immensely thankful for the encouragement and counsel of the Embro and Zorra Agricultural Society. The Embro and Zorra community is full of kind-hearted individuals who realize that contribution is a stepping stone in a strong community. With the support of Nicole Barnett, Sara Stephenson and Katelyn Sykes, I have been able to step into this role with spectacular guidance. An enormous thank you to Greiden Farms and the Haanstra family. Not only for their sponsorship in the 2022 competition but for the knowledge they have provided me with in agricultural experience. Further, for their friendship. Thank you for making my Ambassadorship over the past year possible.

AMBASSADOR'S MESSAGE

Growing up in Zorra township, I had the privilege of participating in both life-skills and dairy 4-H. I gained many of the public speaking skills along with the confidence that I have today through the leadership of those who volunteered to educate me. My sincerest gratitude to Nicole Barnett and Racheal Kettlewell for their volunteer contributions in the community and for advocating for the agricultural industry. Additionally, Katherine Grieve and Laura Green for everything that they have done for both the Embro & Zorra community and Oxford County 4-H. With the support of these four women, I was able to grow as a leader. I am tremendously appreciative of the Unholzer family, and their generosity and wisdom during my time showing with East Nissouri Dairy 4-H Club. The kindness that Joe, Nancy, Robert and Mike showed me and the faith they had in me to allow me to compete with their livestock is an experience that I will forever treasure.

Becoming involved, and nurturing young minds and their potential is how to build a promising future in your community. Every event that I have attended within our community has been filled with welcoming smiles, warm conversations and friendly faces. It is my honour to be representing the people of Zorra and radiating positive energy and pride throughout all of my commitments this year as Ambassador! The 4-H Brunch hosted by Oxford 4-H is an extraordinary start to a day at the Fair and is already on my itinerary.

Currently, I am preparing for the Canadian National Exhibition Fair Ambassador Competition. A goal of mine in this role is to promote the phenomenal leadership program that is this Ambassadorship. While at the Ontario Associations of Agricultural Societies Convention, I had conversations with many Ambassadors regarding possible broadcasting methods to advertise the Ambassador programs to a new and vast audience. I look forward to connecting further at the CNE with the Ambassadors that I met at the OAAS Convention, as well as competitors that I have not engaged with yet. The knowledge and valuable skills that I will gain at the CNE is unquestionably a once in a lifetime opportunity that I cannot wait to embark on!

AMBASSADOR'S MESSAGE

The theme for the 2023 Embro Fall Fair is 'Let's Grow Embro!', a fitting phrase for a community that not only produces a wide variety of agricultural harvest but also encourages one another. Within Embro, a commonality is a passion for agriculture, and we continually exemplify this through the Standing Crops and Open Forage competition. However, I am intrigued to view the extravagant entries in the flowers and plants class, fruits class and roots & vegetables class. Although the class I am most anticipating is the 2023 Pumpkin Prince and Princess Competition. After attending the seed days, I am positive that we have a promising group of competitors. A very special thank you to Anne and Grant Innes, for their dedication to the Pumpkin Prince and Princess Competition and many other Embro & Zorra Agricultural Society initiatives. Their contributions and involvement in the community is appreciated by all.

The 2023 Fair theme 'Let's Grow Embro!' entails the promotion of local businesses and how we can grow the small businesses within our community. Further, it strengthens our local economy and creates sustainable shopping alternatives. An excellent opportunity to grow your local shopping horizons is the Artisan Market, a 2022 addition to the Fair. and observe how much growth has occurred since the original moment the memories were made. I wish the best of luck to all 2023 competitors and exhibitors, 'Let's Grow Embro!'.

Sincerest thanks,

Lili Smith, 2022 Embro & Zorra Agricultural Society Ambassador

**HELP US BUILD A PAVILION AT THE
EMBRO ZORRA COMMUNITY CENTRE IN 2023!**
40' x 80' Low-maintenance
PERFECT FOR LARGE SCALE COMMUNITY EVENTS

The Embro and Zorra Agricultural Society, along with Zorra Caledonian Society, Embro Minor Soccer and Thistle Theatre are fundraising to build a permanent, outdoor, low-maintenance pavilion that can be enjoyed by the community year-round!

Located on the grounds of the Embro Zorra Community Centre (EZCC), the pavilion will be equipped with hydro and water and will provide shelter from the elements so outdoor events and activities are more enjoyable for all participants. This pavilion will be used at the Highland Games, the Embro Fair, by Embro Soccer and many other community groups. Like the community centre, the pavilion will be available to community members to rent for events and gatherings. The project will benefit everyone in the community, and it will take all of us to make it happen. If you would be interested in donating to the project, please contact Gord MacKay, Project Co-Chair.

We can't wait to see this pavilion become a reality at our community centre.

Homecraft

A HOMECRAFT COMMITTEE UPDATE

In the past, the Homecraft Committee has been a branch of the EZAS. As of 2022, the Homecraft Division has officially merged with the EZAS Main Board. This has allowed more opportunities for engagement throughout the entire Society. EZAS believes in an inclusive environment, for all. The Main Board is very excited to welcome the Homecraft Committee to our monthly meetings.

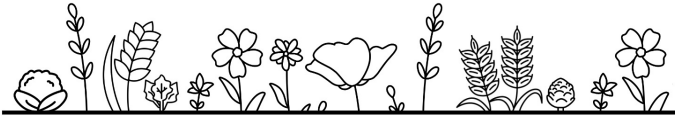

The Homecraft Committee is responsible for many of the exhibition entries and judging at the fair. You will find many of these items located inside the main entrance of the Embro Zorra Community Centre, on the north half of the arena floor.

Prior to the fair, Homecraft members:

- Set the sections in each class and ensure the prizebook entries are correct. Classes reflect the fair theme, and are changed slightly each year.
- Contact a judge from the OAAS accredited judging list to judge their class
- Arrange a judges luncheon and meal for set-up crew
- Contact the EZAS Secretary regarding ribbons, rosettes etc.
- Help to set up the exhibit tables, paper, skirting, signage, decor, and netting
- Are present when entries arrive and ensure the entry tags are labeled correctly
- Are available when judging occurs to assist the judge as needed
- Display the items after they have been judged and attach prize stickers
- Ensure EZAS Treasurer has a record of the prize winners in order to distribute prize money to each exhibitor

After the fair, Homecraft members will return entries to the appropriate section tables. Homecraft members will also be responsible for take-down of the exhibit displays and clean-up of the exhibit hall.

Entrants can retrieve their items between 4-5pm on the Sunday of the Fair (unless alternate arrangements are made in advance).

PUMPKIN PRINCE & PRINCESS COMPETITION

RULES:

Every elementary student living in Zorra Township as of June 1, 2023 is eligible to enter. Five seeds will be mailed to each student who requests seeds. The student must plant and care for their pumpkin. Extra seeds may be obtained by calling 519-475-6135. The form to enter this competition and request seeds is available at www.embrofair.com. Last date to order seeds is Monday, May 1, 2023, at 12 noon. Seeds will be handed out at Zorra Highland Park Public School and A.J. Baker Public School and all others will be mailed. Seeds may be planted indoors when received or outside after all danger of frost has passed.

Students attending Zorra Highland Park Public School and A.J. Baker Public School must bring their pumpkins to their respective schools by 9:00 am on Wednesday, September 13th, 2023. All other entries can be delivered to the Embro Zorra Community Centre lobby no later than 12:00 noon on September 13th or call 519-475-6135. Remember to send in your best effort. There will be lucky pumpkin winners from all entries received. It doesn't matter how big, how small, green, or yellow. If your plant did not produce a pumpkin, send in a photo of your plant to the Fair Secretary at info@embrofair.com. This is a participation competition and the Fair recognizes that weather affects all agricultural crops and pumpkin growers! All pumpkins will be judged by weight to determine the Prince and Princess, as well as 2nd and 3rd place winners.

Pumpkins must be of the variety given out if you enter this class. If you or your family grow other varieties, they may be entered in the Open Vegetable classes at the fair. Cross pollination would not affect the fruit the first year. It is expected that parents would encourage their children to exhibit only pumpkins from these seeds for this competition, as well as growing pumpkins on their own to promote learning.

Prize Money – 1st - \$10.00 & Trophy; 2nd - \$8.00; 3rd - \$5.00 plus 'Lucky' Pumpkin draws. Two classes (Boys & Girls). The winner of each class will become the Prince & Princess respectively and will wear a robe, crown or tiara at the official announcement if possible. All winners, including lucky pumpkins will get the opportunity to ride on the parade float!
