

Dear Community Supporter;

As you know, the rural fair is many things to local communities. It's a way to promote our local agriculture business, to celebrate the season and our local fare as well as an opportunity to come together as a community.

The Embro and Zorra Agriculture Society is well into planning the 2016 fair taking place September 16th to 18th. What makes the fair a success is the support and encouragement we get from our sponsors. This years theme is " From Farm to Fork" and we hope to incorporate the theme into all aspects of the fair with some new events and classes, but of course we will bring back the favorites as well.

This year we have booked a Monster Truck and Monster Truck Ride for Saturday, September 17th for the afternoon and evening entertainment. We are looking for local merchants, businesses and individuals to assist in covering the costs associated with putting on a very popular show such as this. It will be entertainment for all ages.

We are offering many levels of sponsorship and promotion and will accept any size of donation. You may also specify where you would like your donation to help.

If you sponsored the fair in 2015 we have summarized your donation on the donation form.

For 2016, we have several levels of financial support.

Gold Sponsors \$1500 or more

Logo goes on front of hero card (hero cards are distributed at show for autographs), promotion of your business for the day of the Monster Truck event over the announcements and in Monster Truck event brochure. 6 fair weekend passes, business card ad in Dinner theatre program, listing on website, banner hung all weekend and listing in prize book
